I am calling you to unity through all denominations be of the flesh but not in the flesh.

Lift up your eyes are you prepared for what is coming? I call you to reap a harvest you have not sown- I send you to a thirsty people. Be one. Build me a house . I am your God, be prepared hold yourself ready- peace be with you, as the Father has sent me so I am sending you. March! Discern carefully, my spirit will lead you, be guided by my word. It is a new beginning I will come to your help, transformation is being offered, a new power is being offered, it will not be a comfortable place, but labourers are needed. It is a long journey, gird your loins, I will guide, I will calm the storms. There is a danger of becoming stuck in the mud, clean your shoes and come. You are my tabernacle, I am with you wherever you go, Turn around this is a new direction for each of you. I am not asking that you sing a new song only sing it differently. Look around you, where is the need? Gather my people, forgive self and others- be healed Come out of the dark, do not hide, I can see you, all is being made new. My work goes on even though you cannot always see it. Just sit at my feet I will guide you. I have carved you on the palm of my hand, seek me with all your heart and you will receive a fresh outpouring of my Holy Spirit. Stir into flames the gifts I have given you.

I am not asking you to perform just sit at my feet. My star will guide you. IT may look as if things are crumbling but I am making way for better things. Watch! You are on a journey- my cloud is covering you and leading you. My Word is your armour, I will renew you, trust in me, beware of serpents, cunningness, conniving, stand apart, all will become clear, the path is bringing you to the point of change. The time is coming, my Mother is with you, my wounds are open , my blood is pouring over you, like balm, transforming all that is negative, be prepared, be ready, don't look for an escape route. I am putting my Words into your mouth. My Spirit is moving through my Church. Many hearts need to be unlocked, let me be the musician in you, let me lead the dance, I am the creator; in invite you to dare to believe, no more timidity, come and walk in the light, each of you must choose, thank you for all you have done to date;

Beware the one who throws a spanner in the works, , make sure the flames you fan are constructive and not destructive, Michael my Angel is watching over it all. Walk by Faith. There are those who are happy to be with you when all is going well, but there are no roots, they move on when another attraction comes. The deceiver takes them where I would rather they did not go.- But like the phoenix rising from the Ashes my Spirit will triumph, he will sift and empower, bring hope and evangelisation by your witness and perseverance. I am the shepherd I will call, they will know their name. I am the foundation stone, the basis on which to build- my plan is unfolding.

Discern the path, do not go beyond it- build and rebuild as I guide you. I have planted a root and ask you to water it, its fruit will be justice, loving speech and peace.

Be wise in discerning the Way ahead. There is no other God but me. Be not afraid- I am with you in power.

Depend on me, allow me to feed you, listen to my voice, listen to my Word. Renewal will grow like a vine under the protection of Michael and my Mother. Serve my people, feed my people, discern the need

Soon the son of Man will come, coming to inspire; do not worry,
